Subject: Requisition Number R21E2156

Anthony thanks for the call earlier this afternoon,

The parcels associated with requisition number R21E2156 need to be adjusted due to findings submitted from the field. Parcels 416 and 418 which were submitted actually came back with no asbestos which was contrary to the initial report. We would like to maintain the same requisition number as submitted by Mary Welsh and amend the parcels numbers authorized by requisition R21E2156 to read Parcels 400RE, 401Re, 404RE, 417RE, 419RE, 429RE, 440RE, 474RE, 476RE, and 477RE. These same Parcels require a Notice to Proceed to be issued by the Department of Procurement. We will be forwarding a list of Parcels to support the Resolution increasing the value of the Contract by \$200,000 in the near future.

Thanks for your help

Andy
